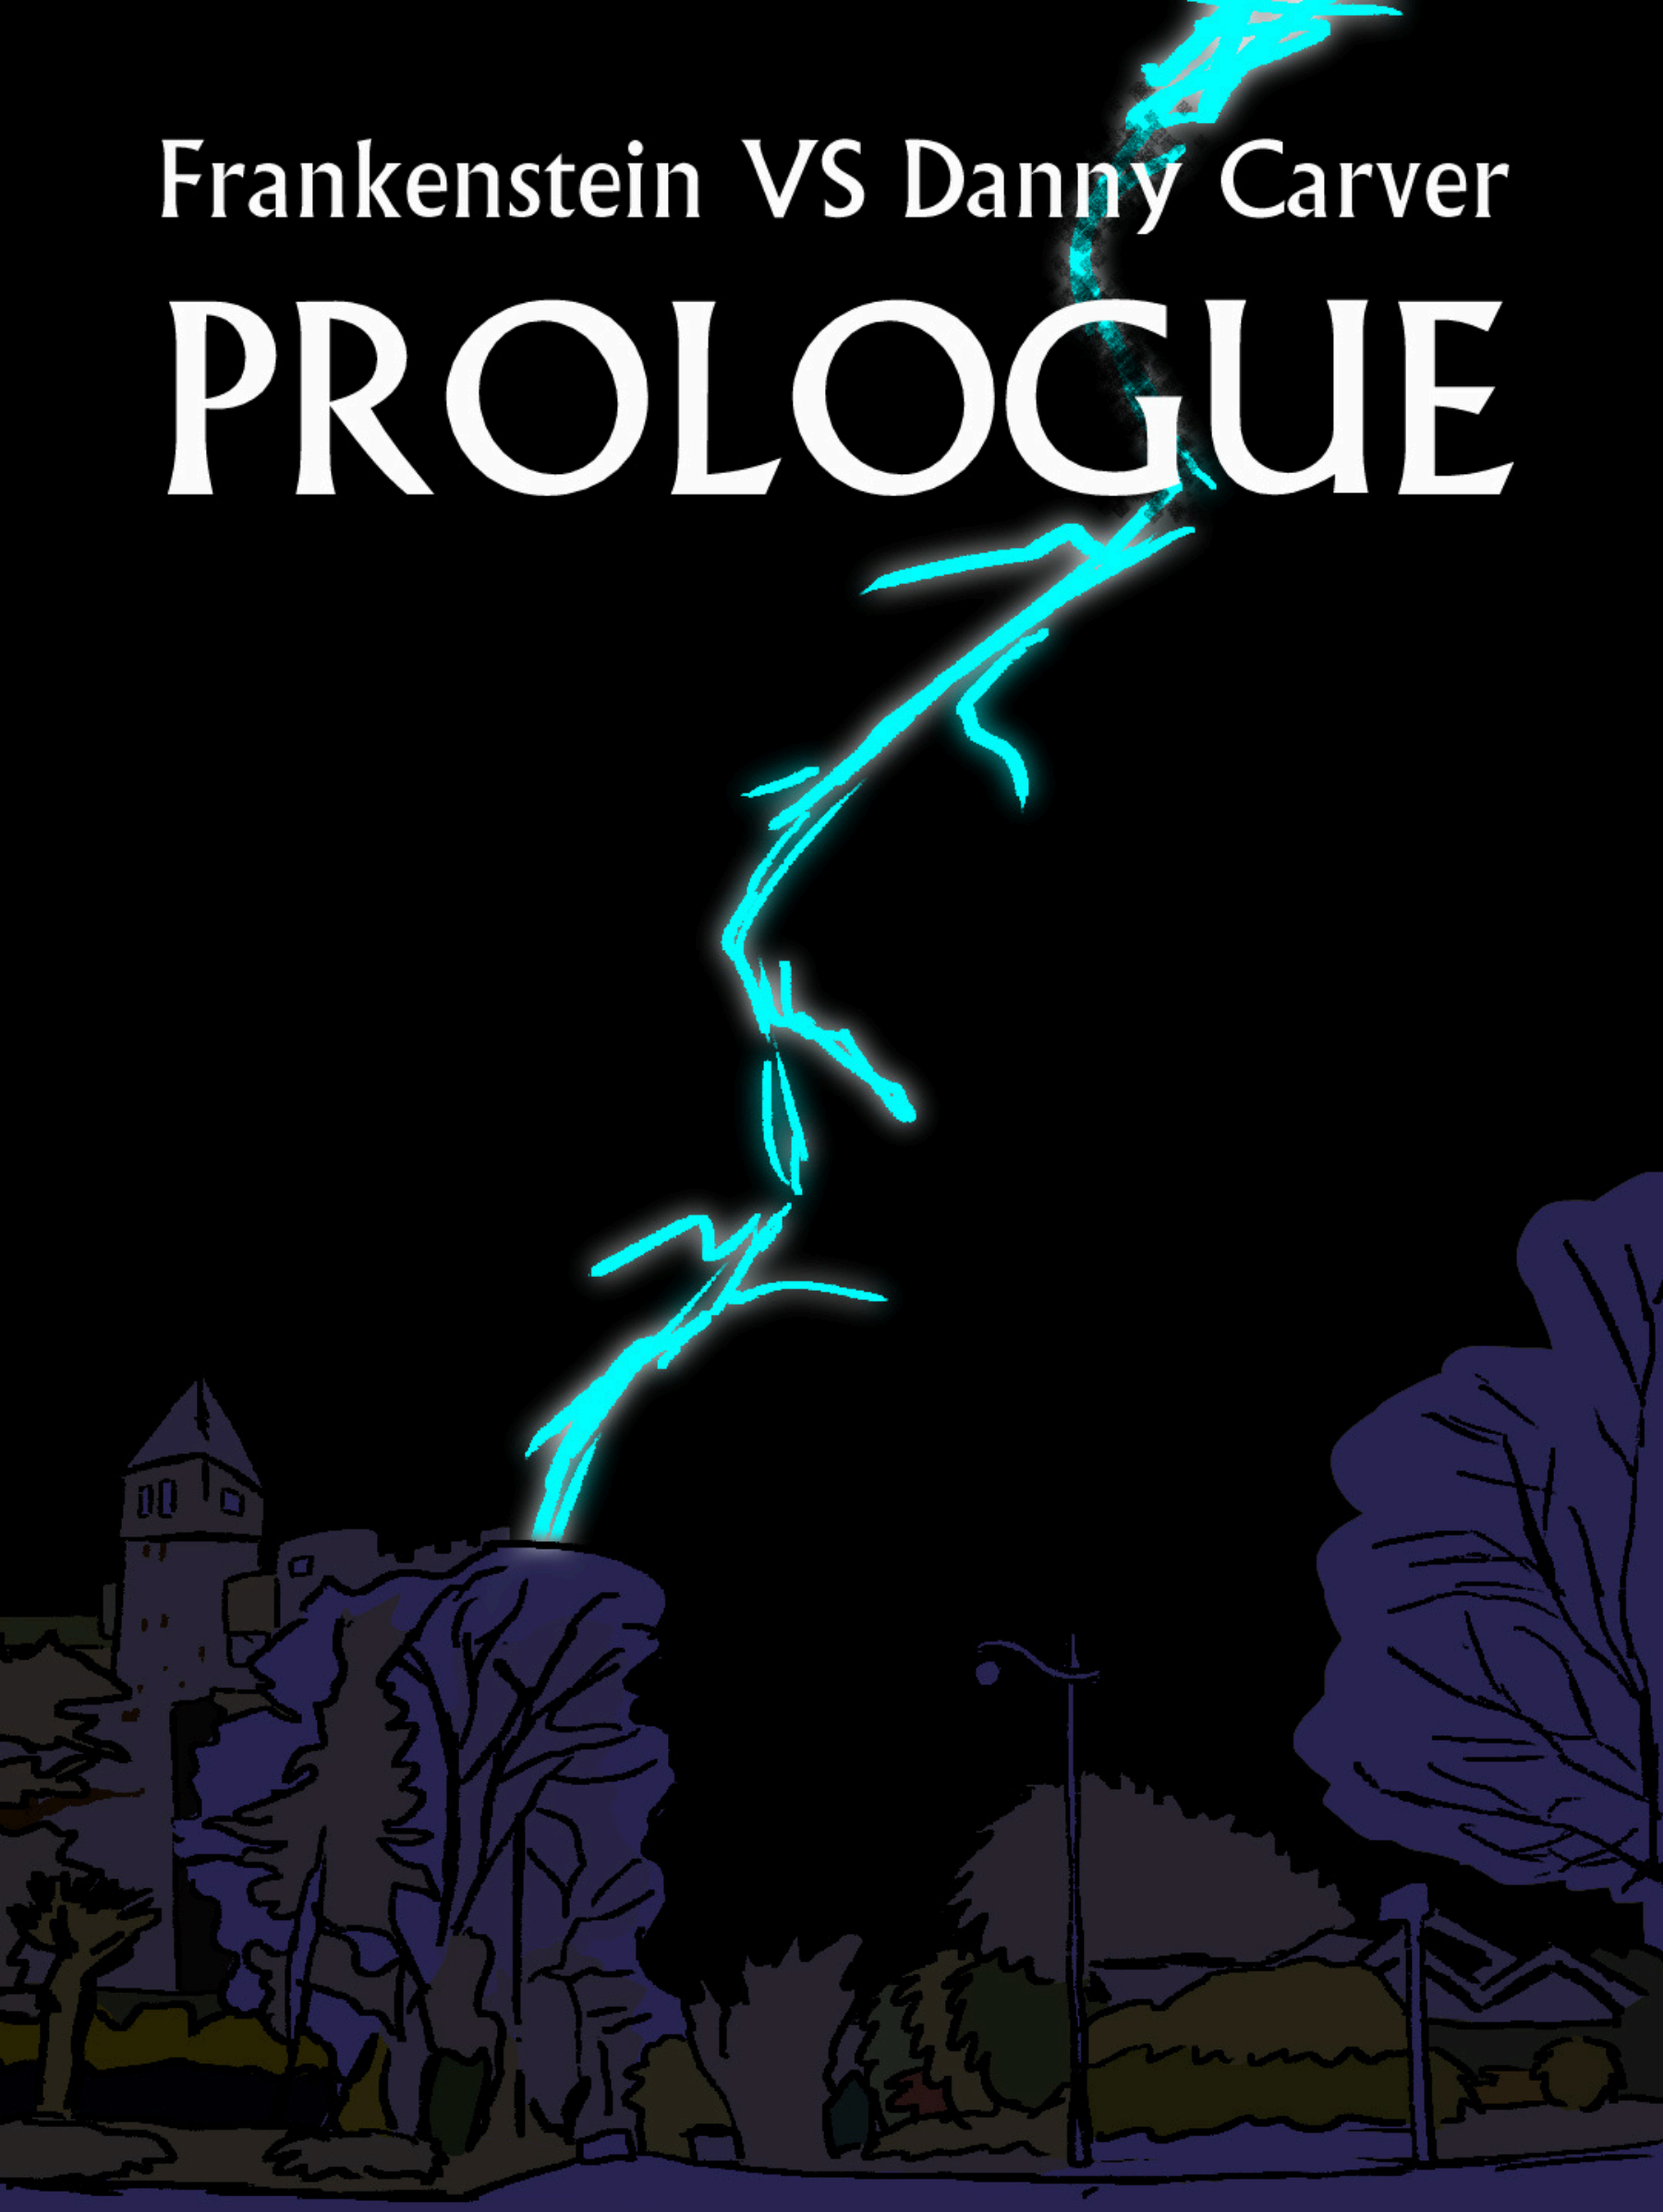
Frankenstein VS Danny Carver

PROLOGUE



Oh Hello! Welcome to a tale of Monsters, Mayhem, and Mischief.
I am Narratarious, will guide you through these dark, twisted corridors of horror.

Today's story? Good ol' monster mash. A serial killer and and an undead bumping heads in ways you won't forget.

One monster is a timeless favorite... misunderstood, desperate for love, a miracle of science.

The other? A newer face. An old-school slasher with a twist, carefully crafted to dodge those pesky IP laws.

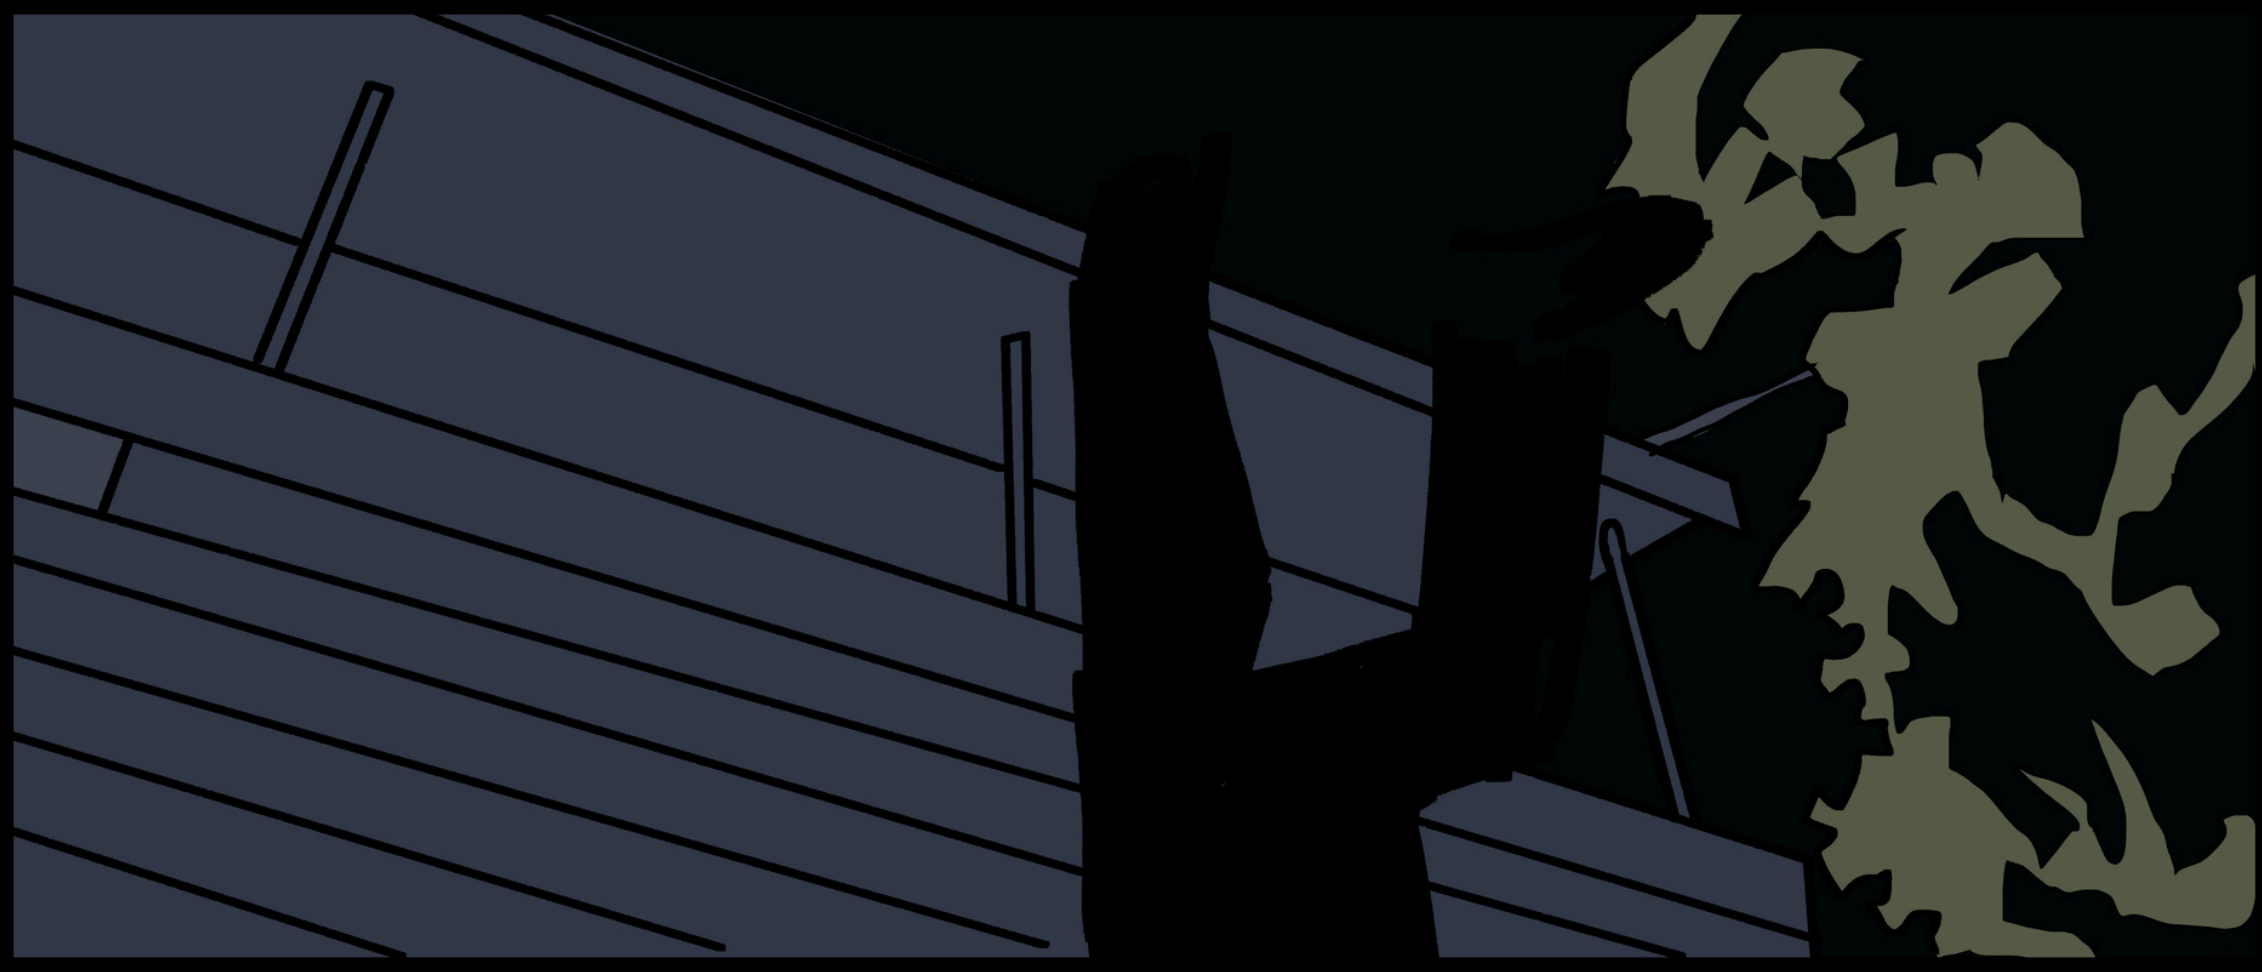
Now, keep in mind... They won't meet just yet. This is just an introductory, a cold open to tease the chaos that could come.

Each panel is a whisper of what's to come. It't dark, eerie, and just a little bit fun.

So... Settle in. The monsters are waking. The nightmare begins. I will make sure this story starts with a Bang.

Bang!
Bang!



IT WAS THE BOOGEY MAN?

As a matter of fact...

It was.

Where is your phone?

THERE IS ONE DOWNSTAIRS.

Hello. This is Dr. Lambent. No. I shot him 6 times. It did nothing. he got right back up.

Well apparently that is possible.

We need to put out red alert for this man. Contact news stations. Everyone needs to know that Danny Carvy is still out there. And He is very, very dangerous. Get right on it.

I'll do my best with what I can do here.

Do you own any firearms?

Are you trained with any?

Do you have any weapons in the house at all?
NOT REALLY.

Well. You better come with me. I'll get you something to defend yourself with.

WELCOME TO THE NIGHTLY ILLINOIS NEWS, I'M JANET AND TODAY WE CONTINUE A STORY THAT JUST WON'T END.

TWO WEEKS AGO WAS ONLY THE START OF INSANE MAN'S SERIAL MURDERS. DANNY CARVER, ESCAPED FROM HIS ASYLUM AND WITHIN 42 HOURS MANAGED TO KILL THREE TEENAGERS AND A DOG. SINCE THEN NOTHING HAS BEEN ABLE TO STOP HIM. AND THE BODIES KEEP PILING UP.

THIS ISN'T SOME MYTH LIKE BIGFOOT OR GHOSTS. THIS MAN IS REAL. HE HAS BEEN SPOTTED BY NUMEROUS RELIABLE SOURCES, WE KNOW HE IS OUT THERE, WE KNOW WHAT HE LOOKS LIKE. HE JUST KEEPS GETTING AWAY.

DANNY CARVEY BROKE INTO MY. I WAS ASLEEP AND I WOKE UP TO THE SOUND OF WHAT I FOUND OUT WAS THE SOUND OF MY MOTHER BEING STRANGLED BY HIM. I GRABBED A KNIFE AND STABBED HIM. BUT IT DID NOTHING. I ONLY LIVED BECAUSE I RUN TRACK.

People need to understand that, Danny Carver is an unstoppable force.

As long as he is out there there is nothing we can do.

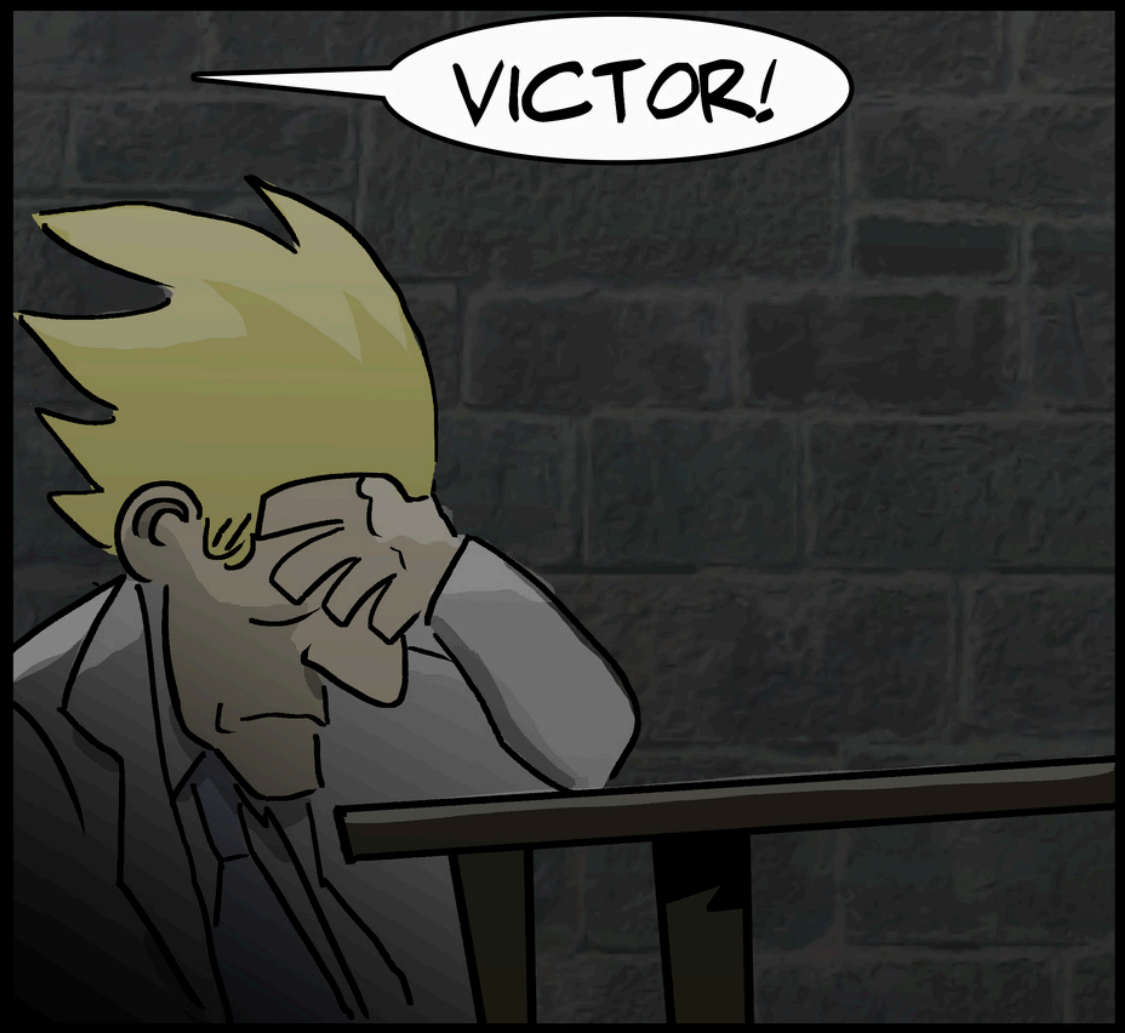
{Rumble}

WELL IT SEEMS UNLESS SOME KIND OF IMMOVABLE OBJECT CAN BE AQUIRED TO STOP MYERS, HE WONT STOP KILLING.

WE URGE EVERYONE TO BLOCKADE YOUR DOORS AND WINDOWS, ARMS YOURSELVES, BECAUSE DANNY CARVEY MAY NEVER STOP.

{Boom}

VICTOR!



VICTOR!

VICTOR!

WHAT IS IT IGOR?

I MIGHT HAVE A SOLUTION TO OUR... MONSTER... PROBLEM.

WHAT SOLUTION COULD YOU POSSIBLY HAVE?

WE CAN MAKE HIM A HERO.

LET ME SHOW YOU.

LOOK AT WHAT IS GOING ON HERE.

IF OUR MONSTER CAN STOP THIS KILLER, HE WOULD BE CROWNED A HERO.

YOU MAY HAVE FOUND AN ANSWER... BUT THERE IS ONE PROBLEM. WE NEED TO FIRST FIND OUR CREATION.

HOW DO YOU SUPPOSE WE FIND HIM?

I HAVE A HUNCH.

I KNOW YOU DO.

WELL, HE TOOK OFF IN THAT DIRECTION, RIGHT?

...YEAH.

Quite a foreboding start.

Unfortunately thats all we have for now.

I know, I know... your likely upset thats all we have. The monsters don't even meet in this cold open.

But this is only a start.
